Stockport Music Project, delivering music learning and activities for young people aged 11-18, is opening its doors for a special Gathering on **Sunday March 26th 2023, from 2pm until 6pm.**

We welcome young people who would like to perform, we'll be delivering music masterclasses, live music performances courtesy of young musicians and singers, and making refreshments available throughout.

Registration for The Gathering is free; contact e-mail and more information can be found online at www.musicproject.uk. For those who do not register in advance, we are asking for an 'on the day' cash donation of £5 for the day.

Our venue is St Mary's Halls in South Reddish, behind St Mary's Church, a safe warm space with ground floor access, a car park and stops for the 203 bus just a couple of minutes away.

We hope you can join us, and look forward to meeting you.

Thanks and all good things, on behalf of StoMP,
